THE MAGAZINE OF THE WORLD WAR I CENTENNIAL

JANUARY 2014 ISSUE: *99 YEAR COUNTDOWN — WATERLOO TO SARAJEVO*

We Begin Our 8th Year of Publishing

For each of our seven years, we have tried to raise awareness of the coming Centennial Commemoration of the Great War by dedicating a special issue each year to an important matter of 100 years past that led to it. Starting in January of 2014 we will be intensifying our Centennial effort by presenting—each month—fresh, cutting-edge articles paralleling the war. Early in the year we will cover the march to war. Then from the anniversary of the assassination onward, the actual battlefield events. Join us, by subscribing or renewing, as *Over the Top* emerges as The Magazine of the World War I Centennial.
